## Summer Reading and Math Camp June 2021

Student's Name \_\_\_\_\_

Class applying for \_\_\_\_\_

\_\_\_\_\_ Male      \_\_\_\_\_ Female      Birth date \_\_\_\_\_

Grade entering in fall \_\_\_\_\_

Medical Conditions \_\_\_\_\_

Allergies (include food) \_\_\_\_\_

\_\_\_\_\_

Father's name \_\_\_\_\_

Address \_\_\_\_\_

Work # \_\_\_\_\_ Cell # \_\_\_\_\_

Mother's name \_\_\_\_\_

Work # \_\_\_\_\_ Cell # \_\_\_\_\_

**Reading/Language Arts/ Math      2<sup>nd</sup> grade-6<sup>th</sup> grade**

**Dates: June 1-3, 8-10, and 15-17      T, W, TH      Hours: 9-2:00**

**Cost: \$100 non-refundable enrollment fee (due with application)  
\$600 for tuition**

The summer reading program will use multi-sensory teaching to improve decoding, comprehension, and fluency in reading. In language arts, we will teach multi-sensory grammar to improve writing skills. This will include the parts of speech as well as structured writing. Math will include an assessment to determine strengths and weaknesses. Then a multi-sensory approach will be used to fill in gaps and prepare for the next grade level. Games will be used in all areas.

Your student will need to bring a lunch and a snack each day. We also encourage water bottles.

**STEM Camp      2<sup>nd</sup> grade-6<sup>th</sup> grade**

**Dates: June 22-4 and 29-30      T, W, TH      Hours: 9-2:00**

**Cost: \$100 non-refundable enrollment fee (due with application)  
\$450 for tuition**

Our summer STEM camp will incorporate some of the most exciting aspects of science and technology. We will do a different science lesson and experiment every day. We will also go through a coding curriculum and teach students how to use Scratch to code their own games and activities.

Your student will need to bring a lunch and a snack each day. Students will also need an electronic device for the coding portion of the day.

Masks will be required by all staff and students each day.
